RED AND GREEN

"Alma Mater, thy name in honor we hold."

RED AND GREEN

1959

JAMESTOWN HIGH SCHOOL

JAMESTOWN, NEW YORK

FOREWORD

The staffs of the RED AND GREEN extend their congratulations to each graduate of the Class of 1959.

Because Jamestown High School is "dear to us all," we thought it fitting to use the *Alma Mater* as our theme. Woven throughout these pages are phrases and sketches from the song known by thousands of Jamestown High School graduates. Our cover, too, depicts the "clock that keeps watch in the tower." We wish to be kept ever mindful of this song and the fine school which it represents.

May this yearbook serve as a Jamestown High School family album to preserve wholly the fond and cherished memories of our youth.

THE J. H. S. ALMA MATER

MILTON J. FLETCHER, *Superintendent Emeritus*

(Tune: Believe Me If All Those Endearing Young Charms)

Alma Mater, thy name in honor we hold,
J.H.S., thou art dear to us all;
Swell the chorus of song, let thy praises be told
While together school days we recall,
The old study hall shrines, the joys of our youth,
'Tis the place where the "school spirit" bides—
The sprite that wrings jest from the gravest of truth,
And cheers us whatever betides.

And still, J.H.S., in the years that shall be,
Thy scenes will crowd memory's hour,
The class room, the "Gym," the old willow tree,
E'en the clock that keeps watch in the tower.
Thy boys and thy girls, thine today and for aye—
Spite of changes old time shall have seen—
We'll stand for the right, for the honor we'll try
Of our colors, the Red and the Green.

You are gone, dear old school, yet there stands in your place
One that makes our hearts quicken with pride
But you've left inspiration time ne'er can efface,
And with us you will always abide.
For your spirit lives on, the old school in the new,
As a seed lives again in its flower—
The old willow still whispers to us to be true
And the clock watches us from the tower.

A Jolly Good Friend From Down Under

This year Owen Johnstone has brought a bit of foreign flavor to J.H.S. Owen hails from Huttvalley, New Zealand, and when he came, he brought with him his accent and his dry sense of humor.

He quickly endeared himself to J.H.S. students when he appeared in the Senior Class Play, "Our Town." After this first appearance, Owen spoke to many of the clubs at J.H.S. and participated in a school assembly.

Owen has lived with Mr. and Mrs. Henry Day and family in Jamestown and, as his American family will never forget him, neither will J.H.S., for he's been a "jolly good" fellow.

William Tangalos, Christine Anderson, Owen —in assembly.

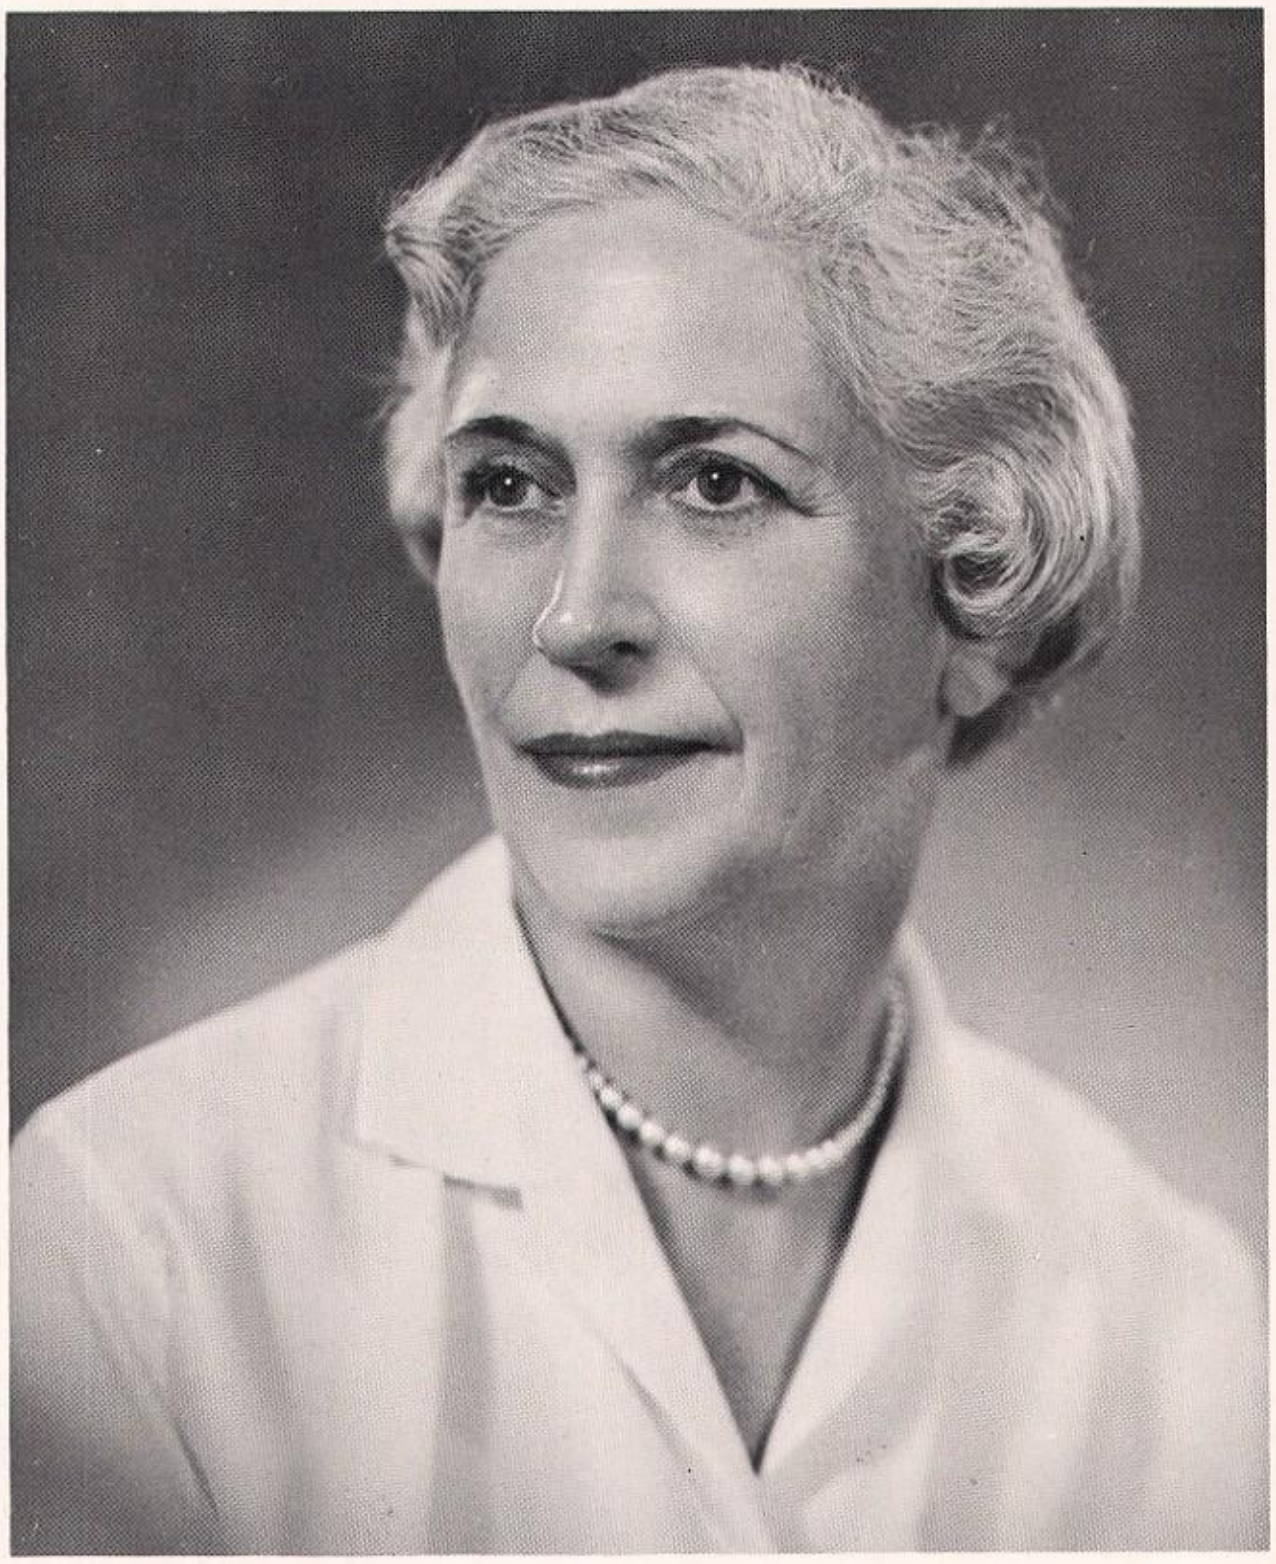
DEDICATION



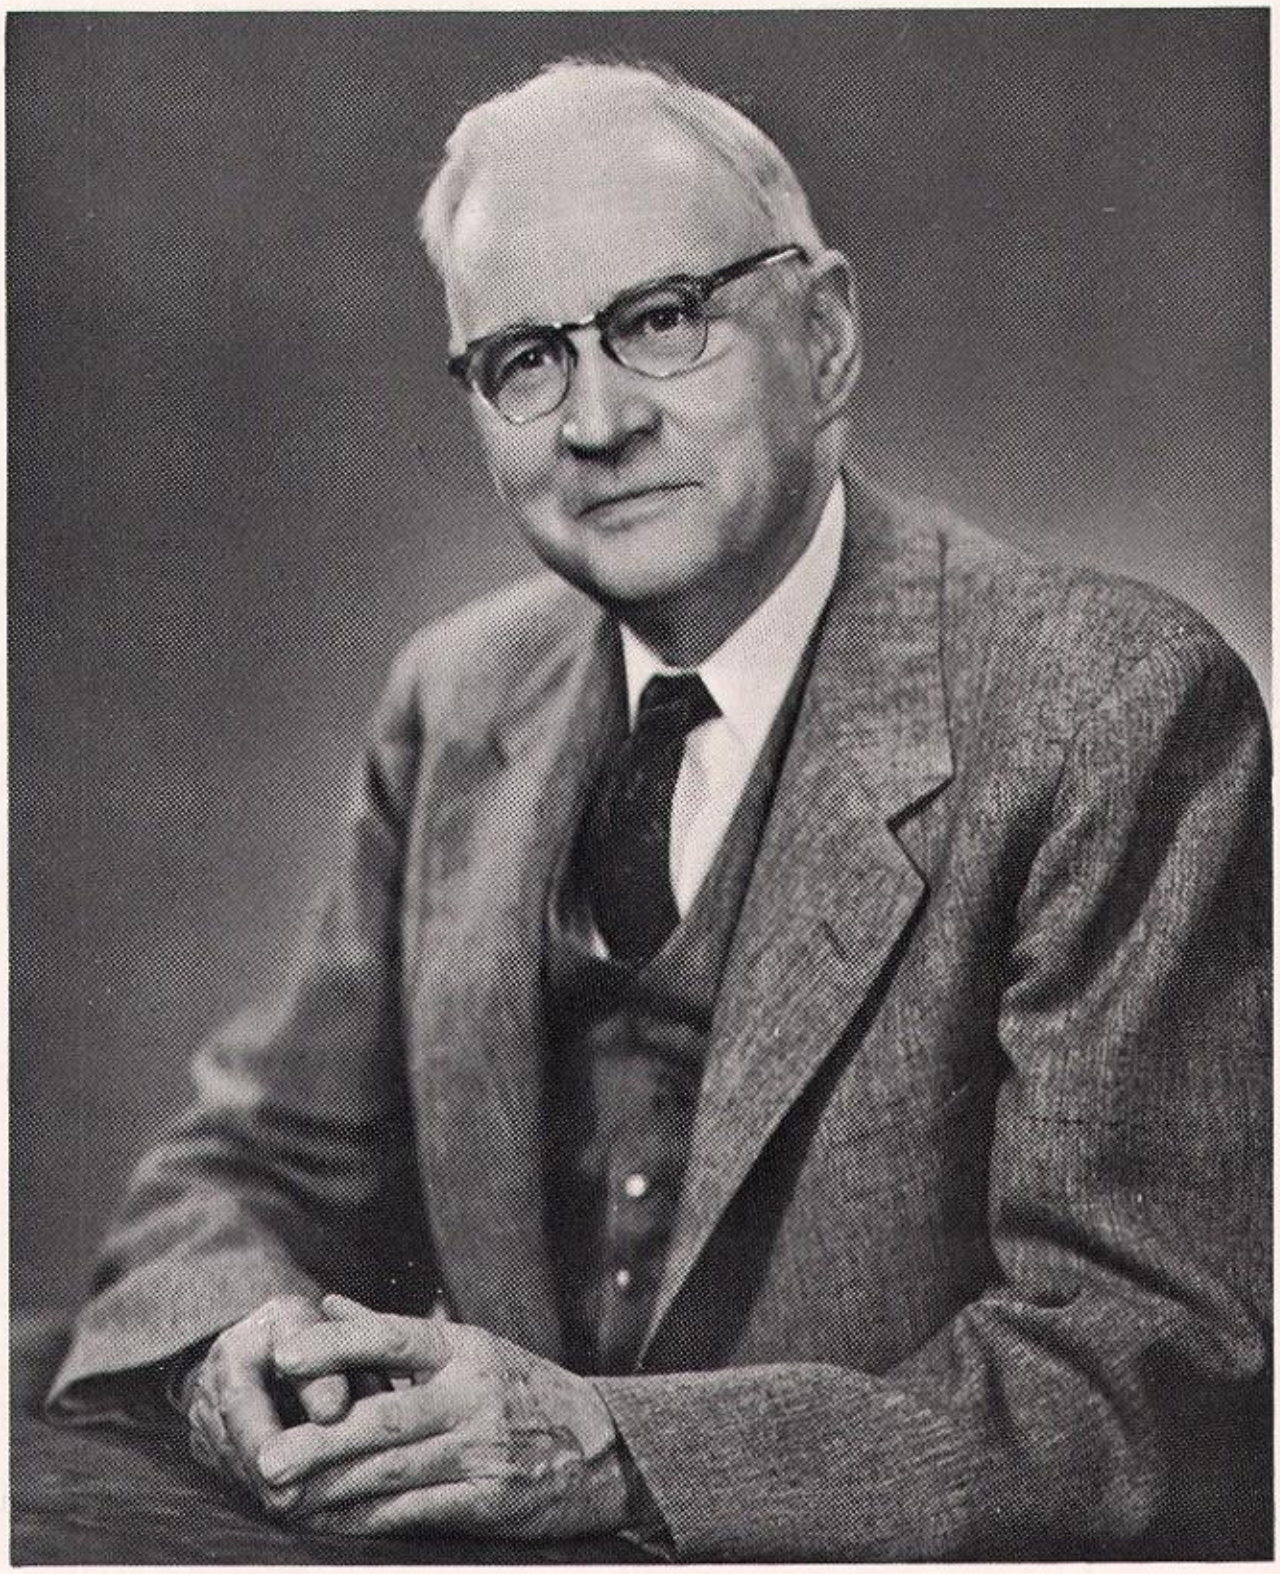
GLADYS S. KRIEGER

The Class of '59 proudly dedicates its yearbook to Mrs. Gladys Krieger. Her unlimited enthusiasm, efficiency, and warm personality have played an important part in promoting all of our undertakings. Because of her devotion throughout these three years, we have been given the inspiration to "open the door and go beyond".

FACULTY

"You've left inspiration
time ne'er can efface."

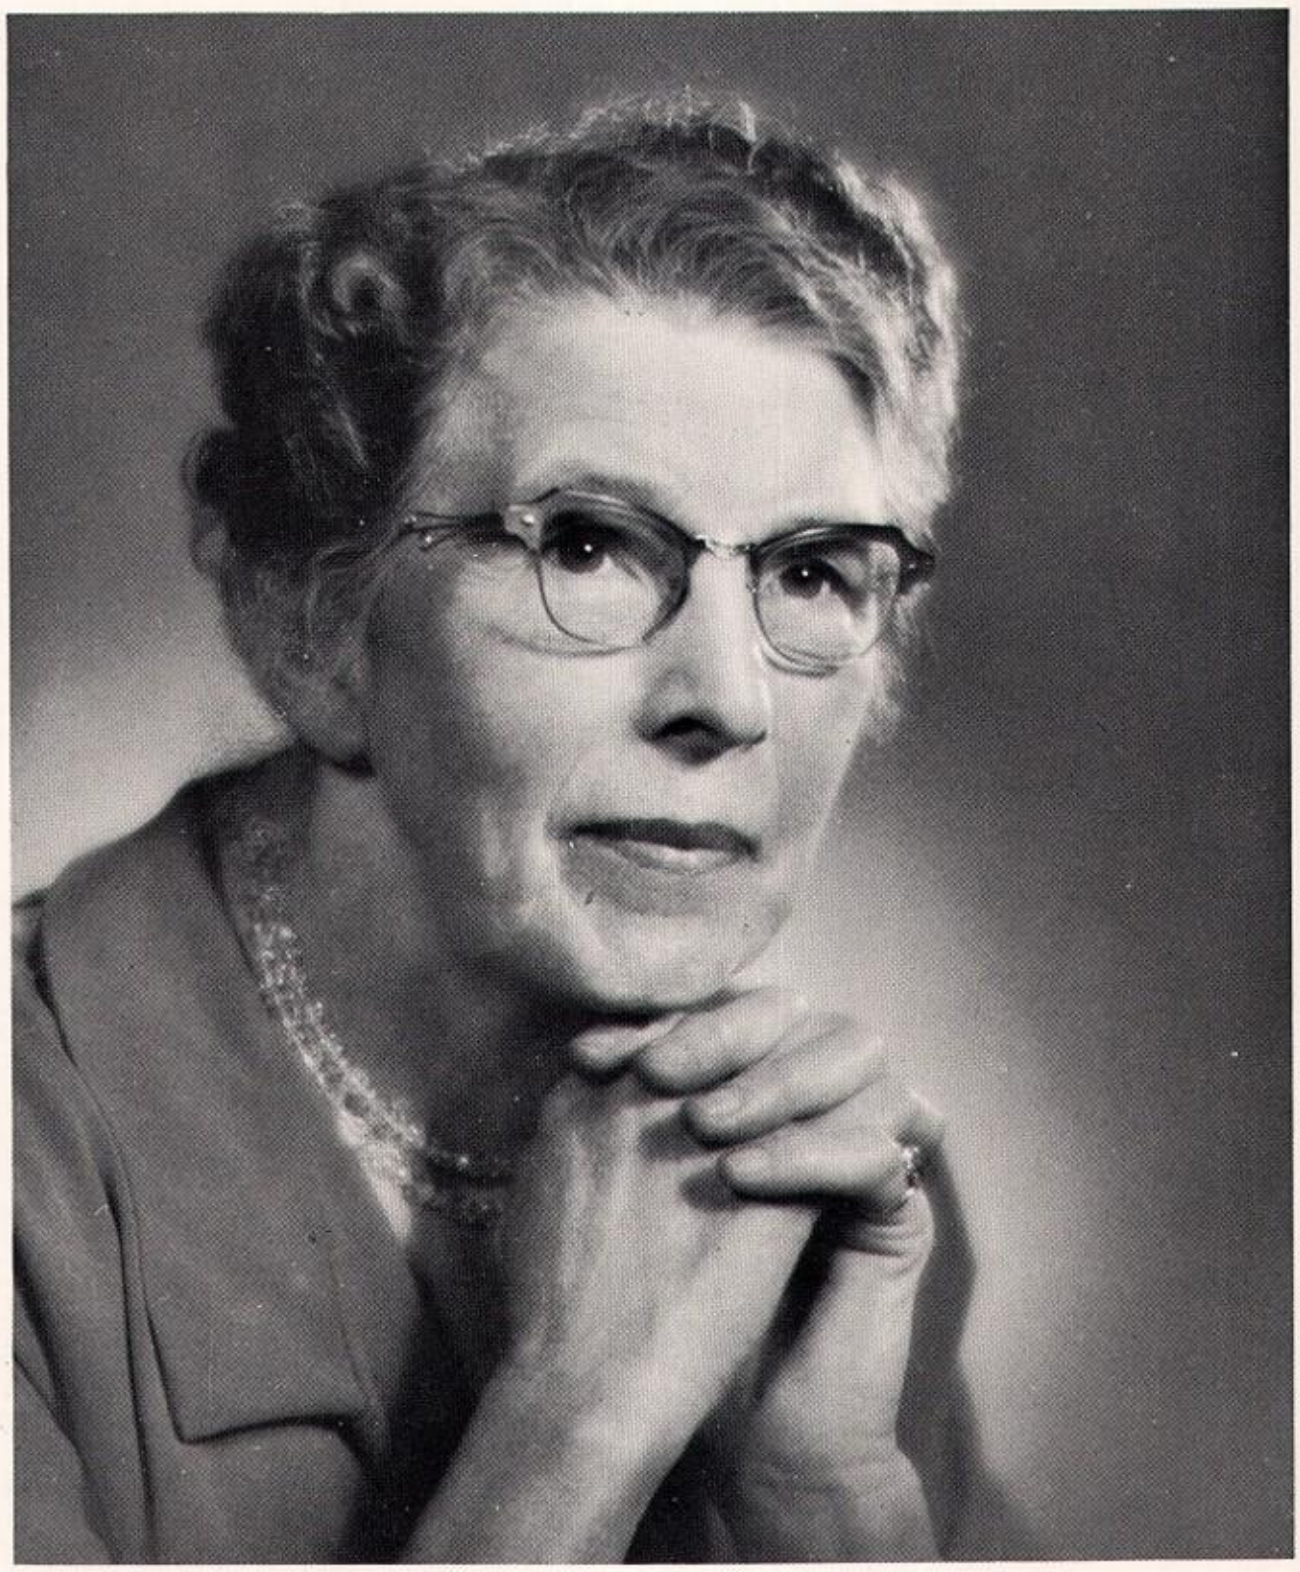
RETIREMENT



MR. AVARY E. WILLIAMS

The Jamestown Public Schools are losing a beloved member of their staff. After thirty-five years of devoted service to teaching, Mr. Williams will retire to do some traveling and gardening. His varied experiences include teaching in a one-room schoolhouse, being vice-principal of Jamestown High School, and for these past two years, serving as head of the science and mathematics departments. The students of Jamestown High School and the members of the faculty wish Mr. Williams a rewarding and happy future.

RETIREMENT



MISS HATTIE E. BOAK

When the name of Miss Hattie E. Boak is mentioned, many remember that for a number of years she was faculty adviser to the Honor Society and played an integral part in making it the fine organization it is today. Also, many will recall that she has always had a rare talent for raising flowers. The hundreds of students, however, who have had her in the business education department through the years are much more likely to think of her fine qualities as a teacher, for she was dedicated to her profession and always took an active interest in the welfare of the individual student. Sincerest wishes for a fruitful and happy retirement are certainly extended to her from the students and faculty of Jamestown High.

RETIREMENT

MR. RAYMOND WHEELER

This year is the climax of an inspiring teaching career for Mr. Wheeler, who has been a member of the Jamestown High School faculty for thirty-nine years. Mr. Wheeler has thoroughly enjoyed his teaching of electrical courses. He has proudly said that most of his students have gone away to college and are "succeeding very well in life." After his retirement, he plans to spend more time working in his basement shop and in his flower garden. Florida winters and Jamestown summers are also a part of his plans. Our sincere hopes are that Mr. Wheeler will find future years satisfying in every way.

Mr. James H. Breckenridge

Miss Margaret L. Hook

Miss Rosemary Leet

Among the teachers leaving Jamestown High School, who are comparatively new to its students, are Mr. Breckenridge, Miss Hook, and Miss Leet. Although their teaching careers here have been short, students and their co-workers will undoubtedly miss them. To them we extend wishes for much success in the years ahead, wherever they may be.

RETIREMENT

MRS. ELLEN L. PRENTICE

The friendship which Mrs. Ellen Prentice extends to "her boys" will long be remembered by each of them. This year is her last at Jamestown High School, but the help which she has so willingly given to each of her students will long live in their minds as they venture forth to practice those skills which she has so patiently taught them. Jamestown High School is losing a devoted teacher, but we wish her a world of happiness in the forthcoming years.

Miss Essel K. Hegburg has been one of the girls' guidance counselors at J.H.S. since 1956. She has taught in the Jamestown school system for 42 years and considers today's young people the "best crop the world has ever had." Miss Hegburg also said that students today have vast potentialities and seem to be utilizing them to a high degree. If this is so, however, it is because students have had the opportunity to work with and consult people like Miss Hegburg. We extend to her our wishes for utmost happiness in her forthcoming years, as she continues to devote her time to club and church activities.

SENIOR CLASS OFFICERS

CLASS SONG

Tune: "Eternal Father"

Farewell to thee, oh J.H.S.
Give us the will to seek success.
We'll raise our banner; all can see
It binds our hearts in loyalty.
Let faith and honor, truth divine,
Lead forth our class of '59.

Carolyn Nelson.

SENIOR CLASS HISTORY

As we walk onto the stage of Jamestown High School for the last time on our graduation day this June, our minds will be full of the memories of our three years spent here.

We shall always remember a day in September, 1956, when our class met as a group for the first time. It was the last sophomore class Mr. Merton P. Corwin, principal of J.H.S., would greet, since he was going to retire in June, 1957.

The Class of 1959 soon accustomed itself to the high school and began to look for capable leaders to head the class in its organization. Those chosen were:

President ..... Anthony Certo
Vice President ..... Thomas Rigoli
Secretary ..... Phyllis Stenander
Treasurer ..... Thomas Triscari
Keeper of Properties.....Kenneth Beatty
Historian.....Brenda Lee Bloomquist

We soon had our banner of red and white, the class colors, with an arrangement of the class flower, the red rose, and the school emblem placed on it. The motto we chose was "Open the door and go beyond."

One of the traditional customs for the sophomore classes is the Sophomore Reception. It is held to acquaint parents and interested citizens with the school and the teachers. Our Sophomore Reception in November was highlighted by the induction of candidates for Honor Society.

In the spring we competed against the juniors and seniors for first place in "Broadway on Second Street". Our class came in a proud second with the play "The End of the Dance," directed by Mr. Gordon Swanson.

We remember how much more confident we felt as juniors. The school was no longer a "stranger" to us.

To begin our junior year, we voted for officers by using automatic voting machines for the first time. The following were elected:

President ..... Thomas Rigoli
Vice President ..... William Tangalos
Secretary ..... Renetta Larson
Treasurer ..... Norman Olson
Keeper of Properties.....Charles Furman

As soon as this was completed, the class took an avid interest in the production of the Junior Class Play, "Gramercy Ghost", presented on December 7. Mr. Gordon Swanson directed the cast consisting of Katharine Calabrese, Thomas Rigoli, Curtis Johnson, Robert Carlson, and many others.

Much to the surprise of the Class of 1958, but not to us, we won first place in both "Broadway on Second Street" and the Charles E. Hall Debate! Both of the events are usually won by the more experienced seniors. Our play was titled, "The Flight of the Herons". The debate team consisted of Katherine Beckman, Joan Wilkins, and Bruce Carlson.

For the first time in J.H.S. history, two fortunate members of our class went abroad during the summer under the American Field Service Program. They were Christine Anderson and William Tangalos.

In the spring the seniors were entertained by the juniors at the luncheon-reception on the J.H.S. lawn and Moving-Up Day. On that day the juniors assumed the dignified position of seniors.

Last fall when we received our class rings and had our class pictures taken, everyone began to feel like a "true" senior. Later on we were measured for caps and gowns and ordered announcements.

In order to have a successful final year at J.H.S., we elected the students best qualified to lead us. The following students were elected to hold offices:

President ..... William Tangalos
Vice President ..... Charles Furman
Secretary ..... Ethel Goller
Treasurer ..... Curtis Johnson
Keeper of Properties.....Helmut Welker

This year, seniors noticed a new member in our class. That student was Owen Johnstone, foreign exchange student from New Zealand, who has won the friendship of fellow students and teachers. He has been active in many clubs and was a member of the cast for the Senior Class Play, "Our Town", presented October 23 in the Merton P. Corwin Auditorium.

Our play, successful in all respects, was presented before a capacity crowd, and included the following members of our class: Thomas Rigoli, Carol Joy Erickson, Anthony Lopriore, June Howting, and Jann Miner.

Other projects were the Teddy Wilson Jazz Concerts in April and the Charles E. Hall Debate. The proceeds from the concert will be used to hire a name band for the senior prom and to give a donation to the foreign exchange student fund.

With the help of Mr. Meade Anderson and class teachers, the Class of 1959 has had a wonderful stay at Jamestown High School. Most of the credit for our success goes to Mrs. Gladys Krieger, our adviser. Her interest and spirit will always be remembered by the members of the Class of '59.

Now we bring to a close our high school careers with a prom, banquet, Class Day and Baccalaureate. Long will these memories fill our minds after we have accepted diplomas and become alumni of Jamestown High School.

A faculty banquet honoring Miss Helen G. McMahon on the publication of her book, *Chautauqua County—A History,* was held in December in Jamestown High School Cafeteria. Both students and teachers are proud to have an authoress as a teacher and co-worker. In preparation for 20 years, this book is a streamlined history of Chautauqua County. Miss McMahon is the first Jamestown High School faculty member to become an author while teaching.

Four JHS Students Dominate Citizenship Scholarship Awards

Four Jamestown High School students set two records as they walked off with 25 per cent of the scholarships offered Saturday at the annual Maxwell Citizenship Scholarship competition at Syracuse University. The scholarships represent a potential total of $32,000.

The four are Ann Marie Olson, Thomas Rigoli, Christine Anderson and Katherine Beckman.

According to Meade Anderson, JHS principal, it was the first time in the history of the competition that one school had captured four of the 16 scholarships offered annually. It was also the first time that the student voted the "Outstanding Junior" was a girl. That girl is Ann Marie Olson.

JHS also had the outstanding senior boy, Thomas Rigoli, who last week placed first in original oratory at the National Forensic League finals in Syracuse. He will represent New York State at a National Debate Tournament next June at Miami, Fla.

Rigoli, a son of Sebastiano Rigoli of 1 Barrows St., is president of JHS Student Council and Key Club; a member of the Honor Society, the J-Club and the Debate Club.

Miss Olson is a daughter of Dr. and Mrs. Raymond Olson of 236 Fluvanna Ave. She is a member of the Debate Club, the Honor Society and an outstanding student in the journalism class.

Miss Anderson, a daughter of Mr. and Mrs. Meade Anderson of 228 Summit Ave., was American Field Service representative to Sweden last year. A senior, she is feature editor of the school newspaper, and a

Highest Scoring Senior, Junior—

4 JHS Students Win Lion's Share Of Syracuse Event Scholarships

Four Jamestown High School students walked away with 25 per cent of the scholarships offered at the annual Syracuse University Citizenship Education day held this weekend.

No other school at the conference has ever won so many scholarships in one year.

The four students are Thomas Rigoli, Katherine Beckman and Christine Anderson, seniors, and Ann Marie Olson, a junior.

Mr. Rigoli was the highest-scoring senior, and Miss Olson the highest junior, in the selections.

Mr. Rigoli is the son of Sebastian Rigoli, 1 Barrows Street; Miss Beckman is the daughter of Mr. and Mrs. Herbert A. Beckman, 803 Harding Avenue; Miss Anderson is the daughter of Mr. and Mrs. Meade G. Anderson, 228 Summit Avenue and Miss Olson is the daughter of Mr. and Mrs. Raymond F. Olson, both professional veterinary doctors.

The scholarships range from $2,000 to $200, according to the winner's need. They average about $1,000.

Process of selection included an I.Q., critical thinking and personality test administered prior to the conference. The contestants also presented prepared speeches before groups of unfamiliar students, and then met twice more in small groups to discuss special topics for one-hour periods.

In the discussion phases, the student groups picked the five best contestants and results were tabulated in the University's central office.

Mr. Rigoli is president of the J.H.S. Student Council, president of Key Club, member of the Honor Society, J-Club and Debate Club.

Miss Beckman is president of the Hypatians, a member of Thespians, Honor Society and Debate Club.

Miss Anderson, American Field Service exchange student to Sweden last year, is feature editor of the Jamestown High School News page in The Post-Journal; a member of the Debate Club and Honor Society.

Miss Olson is a member of the Debate Club and Honor Society, as well as a leader in the Jamestown High School News page in The Post-Journal.

Every Friday afternoon, if one happens to walk by Room 315, he will see a group of 37 students and 4 faculty advisers conducting a meeting. This is the Student Council of Jamestown High School. Student Council had its beginning in the spring of 1958 after considerable thought and planning. At this time, its four officers and ten members from each class were elected. Under the capable leadership of its president, Tom Rigoli, committees were set up in the fall and the year's activities got under way. During the year, problems directed to council have included protests against defective drinking fountains and requests for chocolate milk.

The first money-making project was the donkey-basketball game held in January. This was a game no one will forget, especially the riders!

J.H.S. Student Council has become a member of the State and National Association of Student Councils this year, as well as the area District 15 Council, to which J.H.S. was host during April.

As one of its final projects of the year, council planned to purchase a willow tree for the front lawn of J.H.S. to fulfill the words in the Alma Mater. Because of the fine effort exerted by all its members, the student council has proved its worth by contributing much to the well-being and improvement of our school.

Officers for the year were:

President ..... Thomas Rigoli
Vice-President ..... Renetta Larson
Secretary ..... Karen E. Reagan
Treasurer ..... David Hedberg
Advisers ..... Mr. Wilson, Mrs. Findley, Mrs. Zanghi and Mr. Smedberg

JUNIOR CLASS HISTORY

Upon returning to J.H.S. in September, the Class of '60 was bent toward making this year as great as our last.

The first business of the new year was the election of officers. The following were chosen:

President ..... Dale Colby
Vice-President ..... Marsula Munson
Secretary ..... Pamela Everett
Treasurer ..... Robert Whitehead

Our Class Play, "Seven Sisters," was presented on January 31, under the able direction of Miss Myrtle Paetznick. We, the Class of '60, would like to thank Miss Madeline Rogers, Mrs. Ida Childs, Miss Margaret Hook, Miss Helen Sellstrom and Miss Marguerite Van Dewark for their fine work on committees.

Our class rings were put on display this spring, reminding us that our happy days at J.H.S. were growing shorter. Rings will be delivered next fall.

The finalist in the American Field Service Foreign exchange student program is Marsula Munson.

On the athletic side, homeroom 105 carried the class colors against the seniors for the championship in basketball.

Carol Kaminski, Ann Olson, Allen Peck and alternates Carol Joy and Brian Sisak represented the Class of '60 in the traditional Charles E. Hall debate.

The members of the Class of '60 would like to thank Mr. Wilson for the fine help he has given us this year. Donald Manno, Historian.

SOPHOMORE CLASS HISTORY

"In our hands, the care of the future," is the motto of the Class of 1961. This motto illustrates the responsibility placed in the hands of our class which entered J.H.S. in September with an enrollment of over 500 students.

Mr. Robert Wilson, the class adviser, directed us in our first social project of the year which was the assembly presented by the Sophomore Class.

On March 7 a Sophomore Class Party was held in the school gym. Jim Roselle was there to provide entertainment with his records, and other acts were presented by members of the Sophomore Class.

On April 25 the Sophomore Class Play, *Girl Crazy,* was held under the direction of Mrs. Judy V. Morrell. All dramatically inclined members of our class were given a chance to help in the production of this play.

The Class of 1961 has had a very active and successful year and we hope next year will be even better.

The officers which have led our class this year were:

President ..... Sal Bellavia
Vice-President ..... Joan Canfora
Secretary ..... Martha Swan
Treasurer ..... Thomas Gill
Historian ..... Scheryn Sprinchorn

Scheryn Sprinchorn, Historian.

THESPIANS AGAIN PRESENTS IDIOTS' DELIGHT

With the aid of Mrs. Judy Morrell, Thespians again attempted the ambitious project of presenting Idiots' Delight. This variety show, presented on December 6, included blackout skits, novelty acts and special talent.

The activities of Thespians included an informal induction ceremony in January, at which time five seniors who had outstandingly contributed to the advancement of dramatic arts were initiated. In May, another informal induction was held with the Thespian Troupe of Southwestern Central School.

The purpose of Thespians is to create a more active and intelligent interest in the dramatic arts. Membership in this honorary dramatic organization is the reward for giving time and effort in furthering dramatics. This year the members of Thespians, assisted by Mr. Wilson and Miss Myrtle Paetznick, admirably attained their goal: "Act well your part, there all the honor lies."

The officers for the year are as follows:

President ..... Kathy Beckman
Vice President ..... Bonnie K. Johnson
Secretary ..... Jann Miner
Treasurer ..... Karen Reagan
Clerk ..... Karen Long

HONOR SOCIETY OFFERS SCHOLARSHIP

Throughout the basketball season, J.H.S. students who attended the games were confronted with the plea of a devout member of Honor Society to "buy some pop, popcorn or ice cream!" Those who responded by digging into their pockets and purses for that dime that "must be there," were contributing indirectly to the Honor Society's scholarship fund. The money in this fund is given in the form of a scholarship to some worthy J.H.S. student.

Under the capable leadership of Mr. Carl Levin, Honor Society, whose motto is "Character, Scholarship, Leadership, and Service," conducted the induction ceremony at Cassadaga Valley Central School, as well as the November 20 induction at our own school. The Christmas tree in the front hall was decorated by the members, and after the basketball game with Fredonia, the organization sponsored a dance. The money from this dance and the money they made selling book covers earlier in the year was also contributed to the scholarship fund.

In the spring of 1958 four junior members attended the Western New York State Honor Society Conference at Clarence Central High School. A few juniors also attended the conference this spring. Thus it is evident that Honor Society at J.H.S. has spent an active and profitable year.

QUILL AND SCROLL CHAPTER RENEWED

This year for the first time since 1956, a chapter of Quill and Scroll, national honor society for journalists, has been reactivated at Jamestown High School.

At the induction services May 13, the following members were initiated: Christine Anderson, Sara Bevacqua, Randa Berg, Phyllis L. Carlson, Patricia Dorler, Leonard Giambra, Wesley H. Gustafson, Jodelle Halberg, Bonnie K. Johnson, Anthony Lopriore, Dianne Miller, Ann Marie Olson, Dennis Pritchard, Jerome Swiderski.

Seated left to right: Mrs. Walsh, Bonnie Johnson, Phyllis Carlson, Ann Olson, Miss Jennie Vimmerstedt. **Standing:** Dennis Pritchard, Wesley Gustafson.

Selection for membership in the society is based on the following qualifications: (1) the candidate must have completed his sophomore year; (2) he must be in the upper third of his class; (3) the candidate must have done outstanding work in some field of high school publication; (4) he must be recommended by his adviser; (5) the nominee must be approved by the executive secretary of the society. Further, members of the Journalism Class must have published at least one hundred inches of copy.

Every two months, members received the publication *Quill and Scroll,* a magazine devoted to the improvement of journalistic technique.

Early in the spring the local chapter entered two news stories in the annual Quill and Scroll News Writing Contest. Authors of the articles were Ann Olson and Dennis Pritchard.

Since Jamestown High School's Quill and Scroll Society is a purely honorary organization, no officers were elected and no activities scheduled.

Sponsors of the organization are Mrs. Mary T. Walsh and Mrs. Evalyn Paulson, sponsors of Journalism Class and *Red and Green,* respectively.

J. H. S. BAND MAKES TELEVISION APPEARANCE

Jamestown High School Band began its activities this year with a TV appearance in Buffalo. September 28 the band traveled to Buffalo to do the half time show at the opening game of the National Football League season. The game was between the New York Giants and the Chicago Cardinals.

The band had its first concert March 21 and the second, May 16. The audience particularly enjoyed the "Finale from the New World Symphony" and the "Barber of Seville Overture." The proceeds helped to raise money for the trip to New York City. In addition to the concerts, assembly programs were given at the three junior high schools and at J.H.S. this year.

Once again the band earned the privilege of taking a trip. The trip to New York City took place during Easter vacation. As in past years, a number of concerts were scheduled to be given on the way. The trip began March 31, with a concert given at Kane High School; following this the band appeared in the programs of Wellsboro, Williamsport, and Mount Carmel schools. The Paramont Hotel was the band members' home while they stayed in New York. April 2 the band toured New York and visited the United Nations Buildings, the Statue of Liberty, Chinatown, the Bowery, and Wall Street. A tour of Radio City Music Hall was also conducted. The evening was spent in free planned time. The highlight of April 3 was the boat ride around Manhattan Island and dinner at the International Supper Restaurant. April 4 the band started for home after a stop at West Point. Members arrived home late Saturday night eager to start school Monday morning.

Band tag days were held October 24 and 25 and proved very successful, with proceeds being put aside to buy new coats in the future to complete the changing of the uniform.

The marching season proved to be very rewarding. The band exhibited many different types of marching. Examples of this are the half time show for the All-Star High School Football game at Buffalo Civic Stadium, the annual firemen parades throughout the area; and, of course, the all important J.H.S. football games, both home and away. The band played at all the home games, as well as at Warren and Olean. This year John Cusimano was the drum major of the band. The Chautauqua Institution audience, hearing the Jamestown High School Band the Fourth of July, enthusiastically applauded for two encores.

Band members will never forget this year's band. Many thanks go to the band director, Mr. Charles L. Jacobson.

AUXILIARY GROUPS ADDED COLOR TO BAND

Bannerettes, the color guard, and baton twirlers, auxiliary units of the band, have done much to complement its appearances this year at sports events and assembly programs. Members of these groups also accompanied band members on their trip to New York City during spring vacation.

The twirler group was headed by Betty Lou Boerst. Suzanne Anderson directed the color guard.

The Bannerettes took part in special numbers with the marching band. Color guard members took part in assembly programs throughout the year.

J. H. S. DANCE BAND BEGINS THIRD YEAR

This is the third year Jamestown High School has had the advantage of having its own dance band. Under the direction of Mr. Frank Smeragliuolo, rehearsals were held at 3:30 p.m. every Wednesday in the cafeteria.

This year the band had been able to add some new arrangements to its library, and thus it has re-vitalized its musical offerings. Its newer renditions include "Swing, Swang, Swung," "Alto Solilo-quy," and "Serenade To You."

Dance band officers are:

Frank Smeragliuolo ..... Director
John Cusimano .....Assistant Director
Michael Guarino ..... Secretary-Treasurer
Russell Germaine.....Publicity Manager
John Stanton ..... Keeper of Properties
Dan Marotto ..... Historian

The band was first organized to play at basket-ball, football, and baseball dances. First established to fill a definite need, the dance band has become a well-known group at Jamestown High School and has provided entertainment for many high school "hops."

ORCHESTRA PRESENTS CONCERT

The main project undertaken by members of the Jamestown High School Orchestra this year was a concert in the Merton P. Corwin Auditorium, April 18. Mr. Russell Johnson directed the group.

During the year the orchestra played at the three junior high schools. The organization also competed in the music festival held in Jamestown May 8-9, with several members playing solos.

Some outstanding members participated in the Chautauqua Festival during the month of October. The string section took part in the choir's trip to Washington, D. C., and also in the spring concert May 2. Some of these musicians took part in the Chautauqua County Music Festival in June.

This is the first year that orchestra has been included in the school day. It has met every day during the seventh period.

Officers who have guided the activity in its endeavors are:

President ..... William Mealy
Vice President ..... James Knott
Secretary ..... Patricia Anzideo
Librarians ..... Alice Grosser, Nancy Backus

THEY SING FOR THE JOY OF IT

One of the outstanding musical organizations offered to aspiring singers at Jamestown High School is the A Cappella Choir. This organization, open to any student, plays an active part in the curriculum of Jamestown High School.

Wearing the traditional red and white robes, the choir members presented 17 inspiring Christmas programs at many different places. Musical high points of the season included: Vesper Services at First Presbyterian Church; the carol program for B.P.W. presented in the mezzanine lobby of Hotel Jamestown; caroling in the hospitals and nursing homes, where a festive air was created by the carols both traditional and modern.

Members conducted an enthusiastic candy sales campaign in February, when they raised money to pay for their trip to Washington, D. C., in April. While in Washington, they were invited by the U. S. Commissioner of Education to sing before a select group of educators and government officials. In February also, the choir's performance of Shubert's "Mass in G," with the Jamestown Civic Orchestra, was very inspiring to all.

Of the nine spring programs, the A Cappella Choir's final appearance will be made at the baccalaureate service, where they will sing "The Last Words of David' by Randall Thompson.

This year the A Cappella Choir was fortunate to have as its director, Mr. Donald Bube, who came to Jamestown from Ithaca College. Students of the choir have found new challenges under the able direction and guidance of their new director.

Much hard work has been put forth by the choir members and their director in preparation for their performances this year, but both have enjoyed it. It is their hope that your life, like theirs, has been made a bit richer, and that they have added just a little to "the meeting of hearts and minds."

"MARCHING TO PRETORIA"

The entire choral group was heard "Marching to Pretoria" May 2 at the traditional spring concert when 280 voices closed the final choral program of the year with this African marching song.

These potential A Cappella members met from 3 to 5 times weekly, and learned a bit about Haydn, Mendelssohn, Bach, and Brahms. They also participated in A Cappella's candy sale, the proceeds being used to send the A Cappella to Washington, D. C., and to provide extra money with which to buy music for next year's sophomores.

The sophomore class runs high in musical talent, Mr. Bube, the new director, tells us; and he foresees an A Cappella of excellent quality next year because the class of '61 is a talented, willing, and cooperative group.

"How Old Are You?" was without a doubt a favorite song. Some of the students, however, loved the sea chanteys, especially "One More Day." The atmosphere created by the rollicking singing almost provided a whiff of salt air.

RED RAIDERS OUTSCORE OPPONENTS

Although this year's squad did not have a winning season, they were capable of playing very good football. This fact is evidenced by the team's tie with Tonawanda, big guns in the Niagara Frontier League, and their victories over Dunkirk, Lockport, and Meadville.

An interesting fact to note is that the team scored more overall points than its opponents, despite what is termed a "losing" season. Jamestown High School ran up an accumulated score of 132 points to the opposition's 91.

Injuries took their toll, as about seven gridders were on the inactive list the week before the game with our traditional rivals—the Warren Dragons. These wounds were the result of a hard fought win over Lockport the preceding Saturday.

CROSS COUNTRY TEAM SETS NEW RECORD

The Jamestown High School Cross Country Team ran one of the finest seasons in its history this year. The Red Raiders captured the only dual meet of the season by defeating the Olean Huskies 24-31. In this race, Paul Foster set a new school record for the 2.3 mile course.

Cross country is a sport which requires untold amounts of endurance and stamina. The cross country course starts at the Jamestown Municipal Golf Course, near the stadium. It runs through the woods to the Hundred Acre Lot, around the stadium and back to the clubhouse.

The Jamestown High School cross country team finished its meets in good form. At the second meet, Jamestown placed third, out of five schools. At East Aurora Invitationals, the team ran to fifth place in a field of ten outstanding schools.

Jamestown was beaten by Kenmore in the Section VI AAA meet, but rallied to tie for third place with Amherst. The outstanding members of the cross country team were: Paul Foster, Ned Swanson, John Marshall, Jim Elias, Herb Cunningham, Brian Nelson, Ed Casker, and Jerry White. Congratulations to Coach Joy and his cross country team.

CHEERLEADERS DISPLAY VERSATILITY

The zest and vivacity displayed by the Jamestown cheerleaders will always be remembered by the Jamestown High School students. The cheerleaders always strove to captivate the spectators' spirit and to organize it into an arousing cheer.

It was not unusual to see them practicing with Miss Sander, on Wednesdays, the eighth period. Another task that they willingly undertook was the promoting and the selling of tickets before games. The varsity cheerleaders were present not only at home games, but also at the games that were played away. At the home games, they were supported by the junior varsity cheerleaders, who were: Yvonne Carlson, Barbara Johnson, Carol Scholeno, Kathy Parasiliti, Vicky James, Nancy Bauer, and Romayne Migliore.

This year the varsity cheerleaders, Brenda Bloomquist, Daisy Cady, JoAnn Munella, Patricia Jenson, Barbara Lamb and Kathy O'Block, proudly displayed new bright red uniforms. Both the football and basketball squads invited the cheerleaders to their banquets. Jamestown High congratulates these unheralded heroines of the sports world.

CAGERS GIVE THEIR BEST FOR J. H. S.

The Jamestown basketball squad came through in the second half of the 1958-1959 season to build a favorable season. Since many of the heart-rending losses were decided by only a couple of points, the Jamestown High School cagers scored more points than the combined total of their opponents. This year's squad was molded with four returning lettermen: Ron Anderson, Curt Davis, Bob Enserro, Tom Triscari. Coach Vince Joy was assisted by Managers Joe Paterniti and Bob Whitehead.

Big 6' 3" Ron Anderson was named to the Lake Shore All-Conference First Team. Joe Sali and Bob Enserro were elected to the second team, and Tom Triscari received honorable mention. Juniors John Anderson, Tom Carr, and Joe Sali, as well as the outstanding sophomore, George Banks, will return to put Jamestown High School on the score board.

COREY BREAKS SECTIONAL RECORD

Jamestown High School's newest varsity sport, swimming, for the third straight year, improved its record. This year the Red Raider mermen splashed their way to victories in six out of seven dual meets, the only loss being to Erie Strong Vincent.

Under its new coach, Dale McCallum, Jamestown Y.M.C.A. Physical Director, the team placed fourth in a field of nine at the New York State Section VI AAA Championships. Led by the efforts of Forest Corey, who won the fifty and one-hundred yard freestyle events, with a new sectional record of 24.5 in the fifty, four swimmers compiled a total of 18 points.

The year's roster included Forest Corey, John Watkins, captain, Bob Anderson, Pete vanBever, and Dave Asel, freestyle; Dave Erickson and Jeff Olson, butterfly; Tony Lopriore and Denny Ohlsson, breaststroke; Arden Corey, Morrie Paterniti and Tex Einsman, backstroke; John Wennberg and Dave Erickson, diving; Glenn Fisk, Jeff Olson and John Watkins, individual medley; and Preston Norberg, manager.

"J" CLUB CALLS FOR MORE SPIRIT

Since its founding in 1925 by Harry Watson, the varsity letter club of Jamestown High School, better known as "J" Club, has continued to boost school spirit. This year was no exception.

Under the leadership of its faculty adviser, Harold Rubens, the club staged a series of morale inspiring events. The first of these was the pep rally before the Warren football game. The evening's activities got under way with a parade through town, ending at the campus, where pep songs and cheers were chanted around a gigantic bonfire.

The following night saw the school gym crowded with students and their friends, as they danced to the music of Bill Boerst's combo. This event was added to the list of "J" Club's successes.

March 20, "J" Club, along with Key Club, sponsored the riotous Student-Faculty Basketball Game. This year's annual contest was won by the faculty, with a score of 45 to 32.

Another project of the "sportsmen" was the purchasing of new uniforms for the cheerleaders. These were a much needed item and provided added color to this season's basketball games.

BASEBALL RAIDERS WIN 11 STRAIGHT

The 1958 baseball team, although slow starting, wound up its season very successfully. Jamestown dropped its first four games by heartbreaking scores, 5-4, 3-2, 2-1, and 9-6. The team was not discouraged by this, however, and rallied to win eleven straight, including the bi-county championship.

The Red Raiders' hard luck streak was broken by Charles "Rancher" Dilts's decision over Olean. It was the third win over the Huskies during his varsity career at J.H.S. He ran his win column against Olean to 4-0 when Jamestown defeated the "Oil County Boys" 6-5.

Coach Ayers's faithful team had a season batting average of .272 to cop first place in the Lake Shore League contest. Individuals placing in the League were: Dick Monfort, second with .474; Chuck Faison, third with .444; Vere Lindquist, eighth with .346; Ed Lesser, eleventh with .323; Bill Burk, sixteenth with .273.

Dennis "Vern" Swan and Chuck Dilts added to the laurels of Jamestown High School by taking first and seventh respectively in the pitchers' crown.

RELAY TEAM TIES COUNTY RECORD

Last spring many enthusiastic students sat in the bleachers behind the school and cheered the 1958 track team to victory. The Jamestown High School cinder men had a nearly perfect season losing only to Warren. Proof that the track men finished the season in exceptional form is the 77⅔ to 26⅓ defeat given to Dunkirk.

Coach Joy made good use of the large group of returning lettermen. Tom Bjers was undefeated in the 440 yard run, and also won the 440 in the Section VI meet. The relay team of Tony Vilardo, Dick DeVita, Gene Chiapetta, and Ronnie Nunn tied the county record.

The 1958 track team won first place in the all-county meet comprising five schools. The speedsters also placed fourth in the Section VI meet comprising fourteen AAA schools. This is indeed a proud record for Jamestown High School.

"OUR TOWN" PRODUCED WITHOUT SCENERY

"Oh earth, you're too wonderful for anybody to realize you!" Many members of the audience shared this feeling, as they watched the panorama of "ordinary, everyday" life portrayed by members of the cast of "Our Town," presented by the Class of 1959, in the Merton P. Corwin Auditorium, October 23. It is a story of childhood, love, marriage, neighborliness and death, in a small New Hampshire town.

The stage manager was warmly and convincingly played by Tom Rigoli, who had the responsibility of making realism and giving the play a comfortable, homespun note.

In the first act, the town begins to wake up. It is Grover's Corners, 1901, early in the morning. Mrs. Webb and Mrs. Gibbs, portrayed by June Howting and Jann Miner, begin getting breakfast and waking their children. Mr. Webb and Dr. Gibbs, depicted by Tom Whitehead and Robert Carlson, personify solid, well-liked citizens, good fathers. Carol Joy Ericson as Emily Webb and Tony Lopriore as George Gibbs are the boy and girl next door. They talk over school work and fight with their brother and sister, Wally Webb and Rebecca Gibbs, played by David Halsted and Bonnie K. Johnson.

The second act is George and Emily's marriage. Ladies in the back row (particularly Mrs. Soames, the town gossip, played by Pat Robinson), sniff and sob realistically and whisper loudly about the "lovely wedding."

In the third act, Emily has died suddenly and the town sadly comes to pay its respects. She begs for and gets a chance to revisit earth for one day. For the first time she and the audience realize just how thoughtless people are, how much they take life and each other for granted.

A note of realism was furnished by Professor Willard, portrayed by Owen Johnstone, Woman in the Balcony, Brenda Bloomquist, Man in the Auditorium, Helmut Welker, Lady in the Auditorium, Mrs. Gladys Krieger, as each brought out descriptive statistics about the town.

Townspeople also contributed to the success of the production. Ronald Bartholomew as Howie Newsome, the milkman; Simon Stimson, William Mealy, the organist; Sam Dispenza as Constable Warren; Si Crowell, Sam Craig, Joe Stoddard, played by Joseph LaMonica, William White, John Watkins, enthusiastic baseball players, all created authenticity.

Throughout the scenes, sound effects and lighting played an important role in setting the mood and time of day.

Leonard Van Stry and Jerome Swiderski were assistant stage managers. Mr. Gordon Swanson and Mr. Robert C. Wilson spent many hours directing and encouraging the cast and stage crew.

CLASS OF '60 TRIUMPHS WITH CLASS PLAY

"You can always count on our class to do a terrific job!" This was the feeling of the entire Class of 1960 about the Junior Class Play, "Seven Sisters," by Edith Ellis, presented January 31, 1959, in the Merton P. Corwin Auditorium.

The play involved the efforts of a young man, Ferenz Horkoy, to marry off the three oldest sisters in the Gyurkovics family, in order to collect a wager of three kisses from the fourth sister, Mitzi. He succeeds, and, in addition to collecting his wager, wins Mitzi's hand in marriage.

Ferenz Horkoy was ably portrayed by Jackson Lynch. Judy M. Johnson was the delight of everyone in her part of Mitzi. Ann Marie Olson added some humorous moments to the play in the role of Mrs. Gyurkovics. The oldest sister was portrayed by Carol Joy, and her husband, Colonel Radviany, by Robert Hedlund. Nancy LaDuke played the pretty second sister and Kingston Lindblom, her fun-loving spouse. Gida Radviany was played by Don Freling, and Carolyn Taft was the third sister, whom he finally wins. Francis Inserra gave humor to the play as the nephew, Toni Teleki. Pamela Everett, Mary Cangialosi and Joanne Vaccaro were the three enjoyable younger sisters. Ken Johnson took the part of Janko, the butler.

Credit for the success of this play goes to its fine director, Miss Myrtle Paetznick, assisted by student directors, Randa Berg and Joseph Calabrese. Praise also goes to the production, scenery, make-up, costuming, and property crews for their contributions, without which the play would not have been possible.

SOPHOMORES SCORE AGAIN

April 25, 1959, the "high riding" Class of 1961 scored a huge success with its presentation of the play, "Girl Crazy," by Guy Bolton and John McGowan.

Laugh-filled from start to finish, the play concerns Danny Churchill, played by Jeff Marsh, who is sent to a dude ranch in Arizona by his uncle, who thinks Danny is girl crazy. The action centers around the ranch, where Danny meets Holly, portrayed by Kathy Parasiliti. Everything goes along fine until Danny's girlfriend, Tessa, Sally Henneman, arrives from New York. The western dialogue, setting, and costume added much to the realism of the play.

Members of the cast included: Louie, the taxi driver, Joe Cusimano; Jake, Bruce Powers; Cactus, Brian Pillsbury; Lucky, Phil Jones; Pete, Isadore Barlow; Lank, Leon LeMaire; Rose, Deanna Lenna; Betty, Pat Larson; Janet, Diane Papa; Laura, Mary Sweetin; Sally, Martha Pitts; Babs, Martha Swan; Sam Mason, Curt Westrom; Eaglerock, Dennis Brocklehurst; Lieutenant Caddigan, Dick Johnson; Carol, Joan Canfora. Those in the non-speaking roles were Jonna Gane, Cindy MacPherran, Pat Baisler, Ruth Hess, and Glenn Fisk.

Mrs. Judy V. Morrell, assisted by the student director, Peggy Olson, did an excellent job in this production.

"IDIOTS' DELIGHT"

Seated: Ruth Hess, Kathy Olander, Nancy Backus, Carol Joy, Don Cornell, Dave Sanctuary, Mary Cangialosi, Peter vanBever, Don Sundeen, Beverly Saldi, Charles Glover, Sally Palmieri, Carolyn Taft, David Halsted, Susan Broadhead. **Standing: First Row:** Marilyn Parasiliti, Jessie Rhinehart, Marsula Munson, Pam Everett, Mike Guarino, Linda Brown, Pat Robinson, Sam Dispenza. **Second Row:** Terry Pollock, Gracie Nickerson, Nancy Fredsall, Bob Paterniti, Linda Nelson, Kenneth Lang, Gilbert Mattoon, Sandra Lind, Nancy LaDuke, JoAnne Munella, Cynthia Atwood, Paul Bendo. **Third Row:** Carol Ericson, Millie Hart, Sandra Foti, Jan Bridge, Jean Scalise, John Fiorella, Jim Dracup, Jan Zalkind, Sandy Kellgren, Carol Kaminski, Daisy Cady, Janice Carlson, Brenda Bloomquist, Donald Sandy. **Fourth Row:** Kathy Hastings, Tony Lopriore, Robert Hedlund, Francis Inserra, Pat Conti, Joe Johnson, Hazel Batt, Karen Long, Faye Ahlbeck, Carol Kibler, Carol Kosinski, Nancy Bauer.

Thespians Present 2nd Annual "IDIOTS' DELIGHT"

The second annual "Idiots' Delight" variety show presented by the National Thespian Society, under the direction of Mrs. Judy V. Morrell, former English teacher at J.H.S., delighted the large audience in the Merton P. Corwin Auditorium December 6.

Of the more than 15 acts, which were all selected on the basis of originality, talent, and suitability for a high school audience, a few stood out especially. The singing of "Whenever I Feel Afraid" by Ruth Hess was an enjoyable number. The original costumes worn by the Squire Sisters, Peggy Kibler, Carol Kosinski, and Nancy Bauer added to the show. With her monologue on the first day of school, Miss Rosemary Leet was enjoyable. The tapping feet of The Footnotes, and the beat of Mike Guarino's Band added rhythm and life to the affair. Brenda Bloomquist's rendition of "Herman" caused much gaiety and laughter.

Interspersed in the show were blackout skits which not only enabled the setting to be changed, but also greatly entertained the audience. Two of the blackout skits were "Her Souvenirs" with Jan Zalkind and Carol Kaminski, and "Success Story" with Francis Inserra, Bruce Carlson, and David Halsted.

Much credit for the grand success of the show goes to Brenda Bloomquist and Pat Conti, assistants to the director; Kathy Beckman, general chairman; Jann Miner and June Howting, co-chairman of the skit committee; and to all the others who worked so diligently.

PRETENDERS PRESENT COURT ROOM DRAMA

Jamestown High School's Pretenders, a group of juniors and seniors interested in furthering their dramatic knowledge and ability, presented their annual play, "Night of January 16th," in the Merton P. Corwin Auditorium February 28. Under the direction of Miss Myrtle L. Paetznick, the cast was highly commended for its job "well done."

This club met each Thursday at 3:10 p.m. in Study Hall 144. During the year, its members supported the American Field Service fund at Jamestown High School and participated in Thespians' annual production "Idiots' Delight." As the speaker at a Pretenders meeting, Owen Johnstone acquainted members of Pretenders with the dramatic activities of his school in New Zealand. Members also sponsored a "Sadie Hawkins" Dance November 14.

"Not guilty" was the verdict issued by the jury in this exciting, courtroom drama presented by Pretenders February 28 in the Merton P. Corwin Auditorium.

One unique part of this presentation was that the selection of the jury from the audience opened the play.

The plot centered around the accused, Karen André, played by Jann Miner, who was suspected of murdering her employer, Mr. Faulkner, a wealthy businessman. The district attorney was played by Robert Carlson.

On the side of the state, against Karen André, the chief witness was Mr. Faulkner's widow, portrayed by June Howting. Curt Johnson took the role of the prosecuting attorney in the case.

This production was a good one for a dramatic organization to present because of the large number of people involved in it. It was possible for each of the 60 members of Pretenders to work in producing this play. The cast itself included over 30 speaking and non-speaking roles. In addition, there were the publicity, program, ticket, usher and make-up committees.

"Night of January 16th" was directed by Miss Myrtle Paetznick, assisted by Randa Berg, student director.

PLAYHOUSE ENTERTAINS J. H. S. AUDIENCE

Sophomore Playhouse, with Mr. Llewellyn Turnbull as its sponsor, delighted J.H.S. students February 13 in an assembly program, with their humorous antics in "Jerry Breaks a Date." Joseph Cusimano, Deanna Lenna, and Leon LeMaire captivated their audience when Joe, as Jerry, depicted a girl so that his sister (Deanna) would not have to go to the dance with a "square." Jerry's plot was effective and it was not long before the "square" decided that he would "come back another day." The day terminated to the tune of Chuck Furman's renowned hi-fi and the "ping" of Cupid's arrow at "Cupid's Capers," that evening in the gym.

Playhouse has also sponsored several bake sales, including one at 3 P.M. in the front hall to help satisfy the "hunger pangs" of many J.H.S. students and faculty members.

HYPATIANS HAS ACTIVE SEASON

Hypatians is the girls' debate club in which public speaking is encouraged. The girls meet every Wednesday the eighth period, and as a part of their program, have enjoyed such speakers as Mrs. Lucille Wright, speaking on community problems, Miss Bonnie Walace, who spoke on Belgium, and Ross L. Weeks, Jr., community ambassador to Yugoslavia.

To raise money for their treasury, members had two successful business ventures: one, a sale of banners; the other, a bake sale at Sears.

In March a traveling supper was held which everyone enjoyed. Ruth Hess gave the first course at her house and Cathy Hofgren served a delicious salad at her home. Beef on kummelwick buns, the main dish, was enjoyed at the home of Mary Alice Baisler. The supper ended at the home of Carolyn Taft, when dessert cake in the form of a shamrock was served.

The final banquet is being planned as this yearbook goes to press. All these activities were capably planned and led by their adviser, Mr. Robert Letro, and the following officers:

JUNIORS AND SENIORS MATCH WITS AT CHARLES E. HALL DEBATE

May 27, the thirty-seventh annual Charles E. Hall debate was held in the Merton P. Corwin Auditorium. The juniors and seniors matched wits and words, and again the audience witnessed an exciting performance.

Charles E. Hall is a memorial to the son of Mr. and Mrs. Frederick P. Hall, who died while in his senior year at J.H.S. It, too, serves as a climax to debate activities. Each year tryouts are held and interested students are judged by junior and senior teachers for this event.

This year Diane Jones, Renetta Larson, and Denis O'Pray represented the senior class, while Ann Olson, Carol Kaminski, and Alan Peck upheld the honor of the Class of 1960. Debating the topic "Resolved: That the Non-partisan City Elections Should Be Abolished," these six people displayed their skill and poise.

DEBATERS SCORE RECORD YEAR

With the topic, "Resolved: That Membership in a Labor Organization as a Condition of Employment Should Be Illegal," members of the National Forensic League had the greatest year in the history of debating at Jamestown High School. Debaters traveled to four states and Canada to bring back honors. Jamestown High School was also host to many schools during home tournaments.

The big year started out with the Tri-State Debate Tournament October 24. Jamestown High School entertained a total of sixteen schools from four states.

Debaters went on to Oswego State Teachers' College, Canisius High School of Buffalo, Hamilton College, and Jeffersonville High School to accumulate the largest number of wins ever boasted by J.H.S. and to receive first-place recognition. Jamestown stormed New York University's Hall of Fame Tournament and took top honors over a total of sixty-five participating schools. NFL members who entered tournaments held at Georgetown University and Toronto, Canada, also presented challenges to their opponents. After going to Acquinas in Rochester for a tournament, debaters came back with a record of twelve wins, no losses, and three large trophies.

In spite of their heavy schedule, debaters found time to hold a student congress in our school. They have also spoken before service clubs on such subjects as education and the Red Cross.

JAMESTOWN HOST TO TRI-STATE DEBATERS

Members of the Debate Club were hosts to teams from sixteen schools, representing four states, October 24 at J.H.S. Later in the year, they succeeded in holding a student congress, which was commended by all.

Debate Clubbers have not only traveled and won honors for our school this year, but have also engaged in projects to raise funds for travel. At Christmas time, they sold Christmas trees and cards to Jamestown residents. Later they sponsored a basketball dance in the gym and had a bake sale. Other activities included a Christmas party held at the Elks' Club and a picnic in the fall at the Hundred Acre Lot.

The unity and the friendship within the club made its efforts successful.

NOVICE DEBATERS TROD PATH OF SUCCESS

Novice debaters, under the direction of their new coach, Richard M. Grey, began their year by gaining useful experience. Some of the credit for the success of Varsity Debate's Tri-State Tournament should certainly fall upon their shoulders, for they were important as chairmen, timers, and typists.

At Siena College near Albany, the novice debaters tied for first place, meeting such schools as Acquinas, McQuaid, Mt. St. Michaels, Saugherties, Webster, and St. Joseph.

March 7, they attended the regionals at Fredonia State Teachers College, again being successful. Dave Kling and Nancy Fransen, affirmative, and Mike Kelly and Scheryn Sprinchorn, negative, qualified for the state finals in Albany.

At Webster, March 14, their record was high also. There they tied for first place with Mt. St. Mary's. Margie Carlson won the best speaker's award.

In addition, dual meets were held with Frewsburg, Southwestern, Meadville, and Bradford throughout the year.

Officers guiding the way were:

YEARBOOK STAFFS PUT FORTH EFFORT

October brought with it the necessity of making far-reaching plans for the 1959 *Red and Green* yearbook. The editorial staff was led by Wesley Gustafson, editor, and Phyllis L. Carlson, associate editor, while the business staff was headed by Leonard Giambra and Anthony Lopriore.

On floor: Leonard Giambra, Francis Inserra. **Standing:** Jeff Olson, Joe Solpietro.

Members of the editorial staff selected this year's theme and cover design and planned page layouts, before being individually assigned to copy writing. This year's *Red and Green* features a greater number of pages, since many new school organizations have been formed in the past year.

The bustling sales campaign ran from November 7 to December 15, with a total of 1200 books sold. Francis Inserra, Joseph Solpietro and Leonard Giambra were awarded prizes for selling 95, 47, and 39 yearbooks respectively.

Art work on the division pages and throughout the rest of this year's *Red and Green* was directed by Ann Conroe, chairman of the art staff, and members of her group. Able faculty supervision was given to the art staff by Mrs. Lois Strickler and Mr. Richard Ramsauer.

The typists, with Lucille Lundmark as head, student photographers, headed by Jerry Swiderski, and caption writers earned recognition, too, by their hard work this year. Without their efficient work, the formation of a successful yearbook would have been impossible. Mrs. Evalyn Paulson supervised the staffs.

The combined staffs of the *Red and Green* hope that their efforts have produced a lasting book, one of which the entire student body will be proud.

SCHOOL NEWS PUBLISHED WEEKLY

Journalism has had a new look this year. Instead of five times a year, it has been possible to read the news of JHS every week. For the first time, there has been a Jamestown High School

News Page appearing each Saturday in the *Jamestown Post Journal.*

Journalism classes were also new this year. They met three times a week for instruction and workshop under the direction of Mrs. Mary T. Walsh, adviser.

Part of the classtime was devoted to assignments and to the beats of the reporters. Each Thursday the stories were assigned in order to give the students ample time to gather, write, and edit their copy before the deadline on the following Wednesday.

The staff was kept especially busy on Wednesday afternoons with final rewriting and editing of the copy which was to appear the next Saturday.

The pictures on the JHS page in the newspaper were planned by the club with the photography editor being responsible for appointments and final selection of the pictures to be featured.

Each Thursday afternoon two journalism students helped write the headlines for the page.

One of the features of the news page was a Student-of-the-Month. An outstanding student was chosen to be spotlighted monthly by a committee of three students and two faculty members.

This year for the first time JHS had representatives at the Columbia Scholastic Press Association Conference in New York City. Three students and Mrs. Walsh had the privilege of attending this convention March 12-14.

Several news stories, features and columns were entered, along with two issues of the page, in the 1959 High School Press Competition of St. Bonaventure University.

KEY CLUB ENDEAVORS TO SERVE

Through the competent leadership of Key Club's new adviser, Mr. Herbert E. Boje, the Key Club has completed an outstanding year. With the close cooperation of the Kiwanis Club of Jamestown, the club has been successfully able to devote its time and effort to school and community service.

Key Club began its program of activities by canvassing the downtown area of Jamestown in

the "Get Out the Vote" campaign last fall. Plans were also laid to erect a traffic sign that would limit automobile speed in the school parking area.

It was the responsibility of Key Club during the basketball season to take tickets at all home games. The student-faculty basketball game (at which the inspiring courage of the J.H.S. faculty was sufficient to eke out a victory over a highly-favored student team) provided the main source of income for the year. A part of these funds was used to distribute Easter dinner baskets to deserving families in Jamestown.

Each week two club members attended the luncheon of the Kiwanis Club at Hotel Jamestown. The current-events quiz held between the two clubs resulted this year in a victory for the Kiwanis Club. The series is now deadlocked at a win apiece.

Five members of Key Club attended the state convention at Monticello, New York, April 17-19. The national Key Club convention will be held at Toronto, Canada, this summer.

The able officers of Key Club this year were as follows:

HI-Y HAS MEMORABLE YEAR

During the 1958-59 school year, Hi-Y has fulfilled its objective in presenting a program that provided wholesome recreation and an opportunity to serve by practicing the principles of Christian living.

The Hi-Y began its successful program by sponsoring dances at the Y.M.C.A. after the home football games. The Area Legislative Session was held November 1, at which time bills were presented for floor debate and voting. If passed, these bills went to Albany for the State Legislative Session. December 1, David Hedberg edited the "Chautauqua and Cattaraugus Area Newsletter," which was published by the Beta Chapter.

December 11-14, the New York State Legislative Assembly at Albany was attended by Denis O'Pray, state Hi-Y president; David Hedberg, state journal clerk; Brian Sisak, delegate from Beta Chapter to the Assembly; and Donald Sundeen, delegate from Alpha Chapter to the Assembly.

Several members of both chapters participated February 9 in a radio panel program entitled "Whom Must We Please?" The Palm Sunday

Service was held at the Y.M.C.A. by Hi-Y and Mi-Y. The final event of the year was the Hi-Y picnic, June 6.

Denis O'Pray presided over the state council meetings in Syracuse May 24-25 and the national Hi-Y meeting held during the summer. David Hedberg, area Hi-Y council treasurer, was a member of the Western New York Conference Board of Governors, which planned the spring conference for about 600 youths.

The successful completion of this year's extensive activities is truly reflective of the fine leadership given Hi-Y members by Mr. William R. Reid, club adviser.

The officers of Beta Hi-Y were as follows:

President ..... David Hedberg
Vice-President ..... Robert Elias
Secretary ..... Robert Rogerson
Treasurer ..... Denis O'Pray

MI-Y COMBINES FUN, SERVICE

Probably Mi-Y's most talked about activity this year was its Western Carnival, presented at the YWCA Auditorium March 14. Proceeds from this expansive project are to enable local girls to attend a summer Y teen conference at Keuka College, Keuka Park, N. Y., and a national conference in New York City this November.

Those participating in Mi-Y's activities have doubtless noticed that its program, closely allied with the YWCA purpose, has been revitalized to offer a greater number of opportunities for Y teens to develop more fully.

Those elected to lead the way in its many worthwhile projects were:

Penny Marcus ..... President
Linda Malmberg ..... Vice President
Judy Gustafson ..... Secretary
Mary Jane Johnson ..... Treasurer
Kathy Branstrom ..... Chaplain

These officers were very ably assisted by Mi-Y's new adviser, Mrs. Marilyn Carlson.

During the year, programs have featured outstanding speakers in our area, good grooming topics, community service work, and advice concerning careers. Mi-Y and Hi-Y groups have also joined in religious services during the holiday seasons, as well as recreational activities.

Mentioned were only a few of the many activities in which Mi-Y members participated during the year. Even though different in its make-up, each project has attempted to develop more fully the personality of each individual concerned and give her the benefit of companionship and guidance which she may seek.

YEAR'S ACTIVITIES ENJOYED BY YORKER CLUB

As the name implies, the Yorker Club is chiefly concerned with the history of New York State. Every Tuesday during the eighth period, members gathered in room 313 for their meeting.

Under the sponsorship of Miss Margaret Hook, the club made several field trips and entertained guest speakers. The trips and speakers acquainted the members with historical events of our state.

Club members made a trip to Buffalo April 11 for a visit to the historical and science museums located there. At the Museum of Science, a tour was conducted for the "Yorkers" through the Hall of Man and other exhibit rooms.

Several members attended the Yorker Club convention at Saratoga Springs, New York, May 8 and 9. A new banner, designed and made by "Yorkers" was taken to the convention by its members. This banner was placed in the Yorker Club case on the second floor at the end of the year. Those who went to the convention took with them the club's convention project. This was entered in competition for prizes. The theme of this year's project was "New York State—Contributes." Members were busy throughout the year compiling information on fields in which New York State has contributed. Members wish to thank their sponsor, Miss Margaret Hook, for the time she has spent and the work she has done to make this year an interesting and successful one.

Officers for the year were:

NEW OFFICERS ATTEND STATE CONFERENCE

The Future Teachers of America is completing another year of successful operation. It was organized in 1952 and since that time has shown a steady increase in membership. Today it has a membership of one hundred girls, which is encouraging evidence of a growing interest in the teaching field. Many of these girls are considering secondary and even college teaching.

Monthly tureen supper meetings have been enjoyed. Excellent programs and good fellowship have promoted interest and good attendance. Some of the outstanding programs included the meetings at Charles Street School and J.C.C., the April conference of all Western New York clubs at Fredonia, the lecture by Doctor Livingston Smith from Albany State Teachers' College, the movie, "A Desk For Billie," and the elaborate banquet honoring the seniors held in May.

Financially this had been F.T.A.'s most prosperous year. Money was earned by a bake sale under the direction of Sandra Lance, and by selling educational books as well as subscriptions for the "Normal Instructor", at the Chautauqua County Teachers' Association meeting in October.

The Jamestown Teachers' Association again contributed toward the expenses of its officers who attended the annual state F.T.A. conference at New Palz.

The girls especially enjoyed and benefited from the teacheretting program which permitted them to spend one whole day assisting a teacher in a grade school of their choice. F.T.A. was under the capable leadership of Miss Essel K. Hegburg, assisted by the following officers:

President ..... Suzanne Lindblad
Vice-President ..... Sandra Lance
Secretary ..... Kathy Laughlin
Treasurer ..... Elaine Oberg
Historian ..... Barbara Beckstrom
Parliamentarian ..... Randa Berg

FUTURE NURSES "HOP" TO AID CRIPPLED CHILDREN

Following the precedent set by last year's club, the Future Nurses again decked themselves out as Easter bunnies and sold lilies on the downtown streets for the benefit of crippled children. This showed a commendable spirit of service and unselfishness which should be a great help in their future professions as "angels of mercy."

Although the club was not organized this year until January, they were active during the second semester under the guidance of Miss Lois Saunders, school nurse. F.N.A. members saw two movies this year, one about maturity entitled "Act Your Age," and one concerning the crippled children's camp at Angola, New York, called "Their Little Worlds." Also, they have participated in panel discussions about subjects of interest to all.

Surely in the future many of them will have occasion to be thankful that the Future Nurses Club at Jamestown High encouraged them in their choice of profession.

LA SÉANCE EST OUVERTE

These are the opening words that can be heard every week in room 309 as French Club convenes.

This year the French Club was open to only second and third year students. This has enabled members to concentrate on studying vocabulary and speaking French at meetings.

A main source of an enlarged vocabulary and a greater ease in speaking came through reading and listening to records of conversations in French. The members got a chance to hear these conversations several times so that they might better understand French pronunciation.

During the year the members have been learning about many French composers through listening to operas in French, French children's songs, and songs by French composers that are well known throughout the world. Members enjoyed listening to "Carmen" by Bizet and many others.

A highlight of the year's activities was a dinner held at the home of Carol Kaminski. Each of the members contributed a French dish to the dinner. The evening was spent in conversing in French and playing French games.

The annual banquet planned for May appropriately concluded the year's activities, which were under the supervision of Miss Emma Barber, faculty adviser.

The year's able officers were as follows:

President ..... Bonnie Johnson
Vice President ..... Carol Kaminski
Secretary ..... Diane Jones
Treasurer ..... A. Karen Carlson

RED CROSS COUNCIL HELPS LOCALLY AND INTERNATIONALLY

Representatives from every homeroom composed the Junior Red Cross Council. This student organization, under the direction of the student chairman, Kathy Calabrese, helped locally by typing and filing at the Red Cross Center in Jamestown and by providing bingo prizes for the Veterans' Hospital in Buffalo.

This year, as last, with the sponsorship of Miss Mary Strand, members packed boxes with materials furnished by many students in the homerooms. These boxes, containing educational and health articles as well as toys for the needy children, were sent to the National Red Cross Headquarters in Washington, D. C., later being sent abroad to various countries.

Because of these charitable activities, all of us at Jamestown High sincerely hope that the council will be successful in whatever it does and that it will continue its worthwhile work next year.

RADIO CLUB PROVIDES SCHOOL SERVICES

"Good morning, it's time for your Monday morning announcements . . ." With this familiar introduction, another morning announcement broadcast got under way at Jamestown High School. The entire student body heard the "broadcast" during the homeroom period Monday, Wednesday, and Friday mornings, through the facilities of WJHS, the high school's "radio station." Maintaining this schedule of three morning announcement broadcasts every week gave members experience in professional radio broadcasting techniques.

Near the end of the year, members were seen stringing cables through the halls, as weekly remote broadcasts were begun. The public address announcer crew traveled to various homerooms and other locations, including the roof of the school, from which they originated the broadcasts.

WJHS was also responsible for the daily lunch music in the cafeteria during lunch periods.

Radio Club members were responsible for the high fidelity dance music enjoyed by students at many school dances, sponsored by various school organizations, as well as at the club's own WJHS hop. The money earned by the group was applied to the purchase of high fidelity equipment for the school.

Club members were usually to be seen amongst a pile of wires, tapes, records, high fidelity apparatus, spots, microphones, and various other pieces of equipment. With the cooperation and help of its adviser, Mr. Wilson, the club was able to provide many essential school services.

Officers for the year were:

President ..... Charles Furman
Vice-President ..... Charles Pitts
Adviser ..... Robert C. Wilson

J.H.S. PROJECTION CLUB FORMED

A group of Jamestown High School students have formed the Projection Club in order to provide a valuable service to the school. All members have been given training by Mr. Leo Whitney, school engineer. This training enables them to aid the school's faculty by running audio-visual equipment when help is needed. In a series of eight sessions, the group received intensive training in the proper running and maintenance of audio-visual equipment use in the classroom.

The services of the organization were made available after a schedule sheet was distributed to the entire faculty. This schedule included a listing of the different school periods and the members who were available for work at those times. Faculty members who planned to use such equipment had only to contact the group a day in advance to secure aid in running the equipment.

The Projection Club is the school's newest organization and represents the most recent experiment in the field of student-provided school services.

The club has sixteen members and plans to enlarge its membership next year at which time the activities will be increased to include the sponsorship of film programs. Films that have both an educational and recreational value will be selected for showing.

Under the able direction of Mr. Andrew Tangalos, faculty adviser, the club put in a year of learning and service.

Club members hope that the example set by the Projection Club will influence other groups in organizing and offering other services to J.H.S.

Officers for the first year were:

President ..... David Hagstrom
Vice-President ..... Michael Farrell
Secretary-Treasurer ..... Shelly Liberg
